□ www.quia.com

Quia Web features:

- easy-to-use templates for 16 types of games and learning activities
- quiz creation and computer-assisted grading
- classroom management
- image and audio upload

Our users say: I am currently dedicated to teaching and implementing the use of the Internet in our university's first and second year classes. I use most of the wonderful tools you have available. The quiz sessions are wonderful. My students keep asking for more! Quia gives me a wide range of options to have my students busy but interested.
